**AGUIA RESOURCES LIMITED – TRADING HALT**

The Company requests an immediate trading halt to allow additional time to prepare the JORC 2012 Table 1 report in relation to the beneficiation results for the Company's Tres Estradas phosphate project.

The trading halt will end upon the release of an announcement in relation to the beneficiation results, which is expected to occur later today or, in any event, no later than the commencement of trading on Monday 2 June 2014.

The Company is not aware of any reason why the trading halt should not be granted.

Yours sincerely
