written by InvestorNews | September 23, 2019

"It was a great quarter for us. We have been producing quarter-over-quarter record results. We have record revenue, record gross margin, record EBITDA. We have been producing record operating cash flow. So it has been fantastic last several quarters and it is our eighth consecutive quarter of record revenue growth.", States Chris Dobbin, President and CEO of [Nova Leap Health Corp.](#) (TSXV: NLH), in an interview with InvestorIntel's Tracy Weslosky.

Chris went on to say that Nova Leap identified very early on that there was a very fragmented market in the home care space. The company has been acquiring very small owner-operated home care companies and now it is seeing very strong organic growth along with continued successful acquisitions. Chris also said that Nova Leap was recently ranked number 4 on the 2019 Canadian Business and Maclean's Startup 50 ranking of Canada's Top New Growth Companies.
