

Frederick Kozak of Auxico Provides an Update on Rare Earths and Tin Shipments

written by InvestorIntel | March 17, 2023

In this InvestorIntel interview during PDAC 2023, Byron W King talks to [Auxico Resources Canada Inc.](#)'s (CSE: AUAG) CEO and President Frederick Kozak about Auxico's portfolio of rare earth mineral operations in the Democratic Republic of Congo (DRC), Colombia, and Brazil. As the exclusive trade agent for a rare earth-rich monazite supply from DRC, Frederick discusses how Auxico is "the only company in the world that is selling monazite that is not controlled by China."

With Auxico all set to begin export of its first high-grade tin shipment from Colombia, Frederick provides an update on their Massangana Tin Tailings Project in Brazil which also has other critical minerals such as tantalum, niobium, and monazite. As a member of Extractive Industries Transparency Initiative (EITI), Frederick explains how Auxico is ensuring transparency and traceability in its critical mineral operations, and is supporting the indigenous communities.

This interview, which was produced by InvestorIntel Corp., (IIC), does not contain, nor does it purport to contain, a summary of all the material information concerning the “Company” being interviewed. IIC offers no representations or warranties that any of the information contained in this interview is accurate or complete.

This presentation may contain “forward-looking statements” within the meaning of applicable Canadian securities legislation. Forward-looking statements are based on the opinions and assumptions of the management of the Company as of the date made. They are inherently susceptible to uncertainty and other factors that could cause actual events/results to differ materially from these forward-looking statements. Additional risks and uncertainties, including those that the Company does not know about now or that it currently deems immaterial, may also adversely affect the Company’s business or any investment therein.

Any projections given are principally intended for use as objectives and are not intended, and should not be taken, as assurances that the projected results will be obtained by the Company. The assumptions used may not prove to be accurate and a potential decline in the Company’s financial condition or results of operations may negatively impact the value of its securities. Prospective investors are urged to review the

Company's profile on [Sedar.com](https://www.sedar.com) and to carry out independent investigations in order to determine their interest in investing in the Company.
