Murchison Minerals' Troy Boisjoli discusses his strategic and dominant position in Battery Metals Projects in Canada's Top Mining Jurisdictions

written by InvestorNews | January 24, 2022

In a recent InvestorIntel interview, Chris Thompson spoke with Troy Boisjoli, President and CEO of [Murchison Minerals Ltd.] (TSXV: MUR), about Murchison's two highly prospective battery metals projects located in two of the best mining jurisdictions in the world.

In this InvestorIntel interview, which may also be viewed on YouTube ([click here to subscribe to the InvestorIntel Channel]), Troy Boisjoli provided an update on Murchison's HPM nickel-copper-cobalt property located in Québec. He went on to say that Murchison recently [quadrupled] the project size of the HPM property as a result of its inaugural drill program, giving Murchison a strategic and dominant land position in an emerging battery metals jurisdiction in Canada.
