

Peter Clausi of CBLT Discusses its Shatford Lake Project Near “Canada’s Only Producing Lithium Mine”

written by InvestorNews | March 28, 2023

In this InvestorIntel interview during PDAC 2023, Chris Thompson talks to [CBLT Inc.](#)’s (TSXV: CBLT) CEO, President, and Director Peter Clausi about an update on Shatford Lake in Manitoba where CBLT is exploring for lithium and its plans to complete some additional surface sampling this summer. Peter discusses Shatford Lake’s close proximity to the Tanco Mine, which, he says, is “Canada’s only producing lithium mine and is the world’s richest producing lithium mine.”

Peter goes on to provide an update on CBLT’s 100% owned Chilton Cobalt property in Quebec which was optioned to [PowerStone Metals Corp.](#) (CSE: PS) subject to the completion of four conditions. With three of the four conditions satisfied, Peter discusses how CBLT’s deal with PowerStone Metals is a win-win for both companies.

This interview, which was produced by InvestorIntel Corp., (IIC), does not contain, nor does it purport to contain, a summary of all the material information concerning the “Company” being interviewed. IIC offers no representations or warranties that any of the information contained in this interview is accurate or complete.

This presentation may contain “forward-looking statements” within the meaning of applicable Canadian securities legislation. Forward-looking statements are based on the opinions and assumptions of the management of the Company as of the date made. They are inherently susceptible to uncertainty and other factors that could cause actual events/results to differ materially from these forward-looking statements. Additional risks and uncertainties, including those that the Company does not know about now or that it currently deems immaterial, may also adversely affect the Company’s business or any investment therein.

Any projections given are principally intended for use as objectives and are not intended, and should not be taken, as assurances that the projected results will be obtained by the Company. The assumptions used may not prove to be accurate and a potential decline in the Company’s financial condition or results of operations may negatively impact the value of its securities. Prospective investors are urged to review the Company’s profile on [Sedar.com](#) and to carry out independent investigations in order to determine their interest in investing in the Company.
