Versus Systems, A Symbiotic Commerce Arcade Changing The
Gaming Industry

VANCOUVER, BC / ACCESSWIRE / July 13, 2020 / "Data reveals two things very clearly: people hate ads, and people love rewards" states Versus Systems CEO and Founder, Matthew Pierce. Advertisers, developers, and gamers alike are benefitting from this reinvention, which provides achievement-based rewards to gamers in the form of money and prizes. The introduction of this development came at a pinnacle point in the world of advertising as consumer purchasing decisions have changed greatly in the past decade, and the medium of advertisements now takes precedence over the material. – <https://finance.yahoo.com/news/versus-systems-symbiotic-commerce-arcade-030000227.html?.tsrc=rss>
