

#CTMS2017 presentation on the largest Salar in the Lithium Triangle in Argentina

In a recent presentation at InvestorIntel's 6th Annual Technology Metals Summit, Nicholas Konkin, Investor Communications for Argentina Lithium and Energy Corp. (TSXV: LIT | OTCQB: PNXLF) delivered a presentation titled, "Energy from Experience". Addressing industry and investors alike, Nicholas provides an overview of Argentina Lithium's management team and the details of the Salar de Arizaro. Nicholas also discusses the technical details of the Arizaro Salar as part of the South American Lithium Triangle... to access the complete presentation, [click here](#)
