

eResearch's Chris Thompson on Moovly Media and growing market demand for Videos

written by InvestorNews | September 24, 2021

In a recent InvestorIntel interview, Tracy Weslosky speaks with Chris Thompson, President of [eResearch Corp.](#) about his 18-page Update Report on [Moovly Media Inc.](#) (TSXV: MVY).

In this InvestorIntel interview, which may also be viewed on YouTube ([click here to subscribe to the InvestorIntel Channel](#)), Chris stressed the growing demand for videos and how Moovly allows users to create customized videos easily to reach the widest possible target audience. In the interview, Chris highlighted Moovly's initiatives to enhance their cloud-based media technology with new features, functionality, and integration with other platforms from larger players in the media space. He explained how integration with the likes of Mailchimp, Microsoft Excel, HubSpot, and many more enables Moovly to go after large corporate and enterprise clients which represents the largest revenue opportunity.

Disclaimer: Moovly Media Inc. is an advertorial member of InvestorIntel Corp.

This interview, which was produced by InvestorIntel Corp. (IIC) does not contain, nor does it purport to contain, a summary of all the material information concerning the "Company" being interviewed. IIC offers no representations or warranties that any of the information contained in this interview is accurate or complete.

This presentation may contain “forward-looking statements” within the meaning of applicable Canadian securities legislation. Forward-looking statements are based on the opinions and assumptions of management of the Company as of the date made. They are inherently susceptible to uncertainty and other factors that could cause actual events/results to differ materially from these forward-looking statements. Additional risks and uncertainties, including those that the Company does not know about now or that it currently deems immaterial, may also adversely affect the Company’s business or any investment therein.

Any projections given are principally intended for use as objectives and are not intended, and should not be taken, as assurances that the projected results will be obtained by the Company. The assumptions used may not prove to be accurate and a potential decline in the Company’s financial condition or results of operations may negatively impact the value of its securities. Prospective investors are urged to review the Company’s profile on [Sedar.com](https://www.sedar.com) and to carry out independent investigations in order to determine their interest in investing in the Company.
