Geoff Atkins discusses exceeding expectations in Vital Metals' output of rare earths with Peter Clausi

written by InvestorNews | February 17, 2022

In a recent InvestorIntel interview, Peter Clausi spoke with Geoff Atkins, Managing Director of Vital Metals Limited (ASX: VML) about Vital Metals' recent news release on redesigning the North T Pit at Vital's Nechalacho Rare Earths Mine after the ore sorter exceeded expectations.

In this InvestorIntel interview, which may also be viewed on YouTube (click here to subscribe to the InvestorIntel Channel), Geoff Atkins went on to say that Vital Metals' Nechalacho ore sorter is now able to sort even lower grade materials allowing Vital to process significant quantities of material previously identified as waste. He went on to explain the unique nature of mineralization at the North T Deposit allowing Vital to classify ore and waste visually without having to send materials to a lab for assaying.
