

Neo Lithium CFO Presents “The Next Major Lithium Discovery” at #CTMS2017

In a recent presentation at **InvestorIntel’s** 6th Annual Cleantech & Technology Metals Summit (#CTMS2017), Carlos Vicens, CFO of Neo Lithium Corp. (TSXV: NLC) delivered a presentation titled, “The Next Major Lithium Discovery”. Addressing industry and investors alike, Carlos provides an overview of their pure play Tres Quebradas (3Q) Lithium Project. Carlos also discusses the geothermal hot springs that feed the brine reservoirs with lithium and calcium... to access the complete presentation, [click here](#)
