

Pierre Gauthier on Auxico Resources' new Colombian mining permit and rare earths plans

In this InvestorIntel interview with host Byron W. King, Auxico Resources Canada Inc.'s (CSE: AUAG) Chairman and CEO Pierre Gauthier talks about the recently granted mining permit for their Minastyc rare earths property located in Colombia, as well as an update on the environmental permitting of the project expected shortly.

In the interview, which can also be viewed in full on the InvestorIntel YouTube channel ([click here](#)), Pierre Gauthier says that in addition to the substantial amount of rare earths at its Minastyc property, there is also a surface discovery of high-grade gold, platinum, titanium, zirconium, hafnium and iridium. Pierre talks about Auxico's "green" and environmentally friendly UAEx technology for rare earths separation. He goes on to explain that compared to conventional extraction techniques, UAEx improves rare earths recovery and at the same time reduces energy requirements, use of chemical reagents and extraction time.

This interview, which was produced by InvestorIntel Corp., (IIC), does not contain, nor does it purport to contain, a summary of all the material information concerning the "Company" being interviewed. IIC offers no representations or warranties that any of the information contained in this interview is accurate or complete.

This presentation may contain "forward-looking statements" within the meaning of applicable Canadian securities legislation. Forward-looking statements are based on the opinions and assumptions of the management of the Company as of the date made. They are inherently susceptible to uncertainty and other factors that could cause actual events/results to differ materially from these forward-looking statements. Additional risks and uncertainties, including those that the Company does not know about now or that it currently deems immaterial, may also adversely affect the Company's business or any investment therein.

Any projections given are principally intended for use as objectives and are not intended, and should not be taken, as assurances that the projected results will be obtained by the Company. The assumptions used may not prove to be accurate and a potential decline in the Company's financial condition or results of operations may negatively impact the value of its securities. Prospective investors are urged to review the Company's profile on Sedar.com and to carry out independent investigations in order to determine their interest in investing in the Company.
