

Stephen Burega provides an update on Cambodia's 1st North American Publicly Traded Mineral Exploration Company

In a recent InvestorIntel interview Peter Clausi speaks with Stephen Burega, CEO of Angkor Resources Corp. (TSXV: ANK) about Angkor's gold, and oil & gas projects in Cambodia. Angkor is the first North American publicly traded mineral exploration company in Cambodia with 5 licenses covering approximately 1000KM².

In this InvestorIntel interview, which may also be viewed on YouTube (click here to subscribe to the InvestorIntel Channel), Stephen discussed how Angkor's team has built strong relationships with local communities and all levels of government in Cambodia. He starts: "If you are not liked in the communities you are working in, it makes it very difficult regardless of the quality of assets..." Adding that Angkor is the only company to have an onshore oil block in Cambodia, he provides an update on Angkor's Oil and Gas license, and an update on the Andong Meas and Koan Nheak License.
