

Herchak on how FinCanna offers investors a way to invest in top quality private cannabis companies

“FinCanna is diversified by investing in four companies to date. We have enough money for a fifth investment. We are diversified both geographically in California and across a number of different sectors. We invest in private companies. If you want to invest in top quality private companies the only way to invest in them directly is through us.” States Andriyko Herchak, CEO and Director of FinCanna Capital Corp. Andriyko went on to say that FinCanna is focused on the US with a primary focus on California, the largest cannabis market in North America. Andriyko also provided an update on FinCanna’s portfolio companies. He said that FinCanna’s four portfolio companies include QVI, ezGreen Compliance, Refined Resin and CTI. All the companies are startups in different stages of growth. QVI is the last company that FinCanna invested in and is expected to produce royalty this quarter. ezGreen Compliance is a Point-of-Sale software compliance firm that has signed a large client in California.
