

# **ChroniCare Canada to Test Jourdan Phosphate Rock from Quebec for Growth Media and Slow Release Natural Phosphate Fertilizer**

April 3, 2014 (Source: FSC Wire) – **JOURDAN RESOURCES INC.** (TSX-V: **JOR**) (“JOURDAN” or the “Company”) ([www.jourdan.ca](http://www.jourdan.ca)) has signed a fertilizer testing agreement with ChroniCare Canada Corporation (“ChroniCare”), a privately funded corporation and medical marihuana producer operating as a licensed producer under the Medical Marijuana Access Regulations (“MMAR”).

Under the terms of the agreement, Jourdan is to provide to ChroniCare, at no monetary cost, phosphate rock (“PR”) samples from its properties in Quebec, to be tested as a growth media and slow-release natural phosphate fertilizer for the purpose of investigating the effects of (“PR”) on the growth of various medical marihuana strains.

In consideration for Jourdan’s supply of PR, ChroniCare agrees to apply, monitor and record the effects of the PR on the growth of various medical marijuana strains.

The term of this agreement shall be for a period commencing immediately, and maybe extended for an additional six months upon mutual written consent by the parties.

ChroicCare will test Jourdan fertilizer products exclusively, and not provide testing services to any other fertilizer producer or distributor who may be in direct or indirect competition with Jourdan.

**About ChroniCare Canada**

Chronicare Canada is a privately funded corporation specializing in the field of healthcare. Chronicare Canada was formulated to provide a more natural alternative to pain medication while continuing its research on other medicinal properties found in Marijuana plants. A Toronto based company, Chronicare is positioned to be the leader in healthy genetics of various strains of medical Marijuana.

Chronicare plans to breed and modify new and existing strains to determine the best use for pain management. With its innovative thinking and dedicated approach to providing effective pain relief, Chronicare is setting the bar for a new standard in medicinal use of marijuana and its healing properties

### **About Jourdan Resources**

Jourdan Resources Inc. is a Canadian junior mining exploration company focused on phosphate. We continually strive to maximize shareholder value by targeting the highest quality phosphate projects with a professional and highly experienced management team. Our approach combines creativity, experience, and technical expertise with tenacity and determination to advance existing projects while always being prepared to take advantage of new opportunities that can add value for our shareholders. We are committed to conducting ourselves in an open, professional, and responsible manner, while always remaining available to all shareholders. Our goal is to be the dominant speciality phosphate miner in North America
