

Next Gen Announces Private Placement

✘ July 3, 2014 (Source: Accesswire) – Next Gen Metals Inc., (“Next Gen”, the “Company”) (CSE: N; OTC: NXTTF; Frankfurt: M5BN) is pleased to announce a non-brokered private placement of up to 3,000,000 units for gross proceeds of up to \$300,000.

Each Unit (“Unit”) at a price of \$0.10 per unit will consist of one common share (a “Common Share”) and one-half of one, non-transferrable share purchase warrant (a “Warrant”). Each full Warrant entitles the holder to purchase one Common Share at a price of \$0.20 per share during the first year, \$0.30 per share during the second year and \$0.40 per share during the third year.

The proceeds from the private placement will be used for acquisitions, investments and working capital to advance the company’s initiatives in the Medical Marijuana, Industrial Hemp and Alternative Medicine industries as well as advancing the company’s GreenRush Financial Conference business. The private placement and any finder’s fees payable are subject to regulatory approval. Any securities issued pursuant to the private placement shall be subject to a four month and a day hold period commencing on the closing date.

About Next Gen

(CSE: N, OTC Pink: NXTTF, FSE: M5BN)

Next Gen is a diversified Canadian public company which focuses on investing in the Medical Marijuana, Industrial Hemp and Alternative Medicine sectors. Recent regulatory/legal changes in North America have provided an opportunity for the company to enter into this emerging multi-billion dollar industry. Next Gen’s vision is to be the leading provider of venture capital, management expertise, education, brokerage

and consultancy solutions and a facilitator for these explosive new industries.

Next Gen's business model generates new industry business proposals and plans on a continuous basis. To that end, Management is currently negotiating with a number of companies who are interested in entering into contractual arrangements to co-venture, co-finance, and option-joint venture on one or more of Next Gen's large inventory of business opportunities and existing 100% owned companies and projects in these multi-billion dollar industries. For further information on the company, visit our website at www.nextgenmetalsinc.com .

On March 20, 2014 Next Gen Metals announced that it had established its first wholly owned subsidiary, a Conference Division that intends to host Canada's first conferences focused on business to business opportunities, the investment and education in the Medical Marijuana, Industrial Hemp and Alternative Medicine sectors. GreenRush Financial Conferences' vision is to be the premier purveyor of investment conferences for the Medical Marijuana, Industrial Hemp and Alternative Medicine industries.

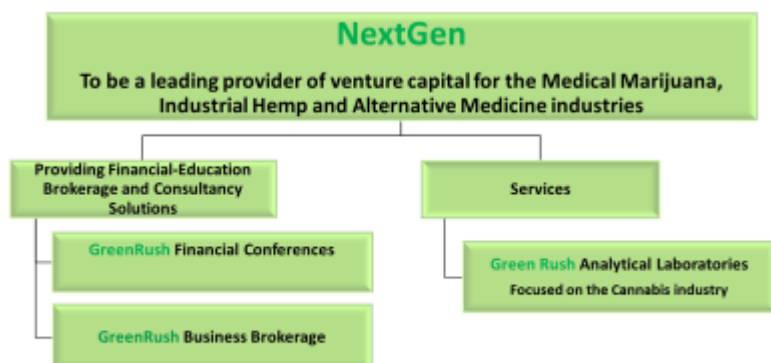

If you are interested in being a speaker, exhibitor or sponsor for future Financial Conferences please submit your indication of specific interest as soon as possible to the GreenRush Financial Conference team as the available spaces are fill up quickly.

On May 6, 2014 NextGen announced the establishment of its second wholly owned subsidiary GreenRush Analytical Laboratories Inc. GreenRush Analytical Laboratories Inc. will provide analytical testing to the cannabis industry by delivering customized solutions and accurate analytical results and ensure the health and safety of consumers. GreenRush Analytical Laboratories vision is to become a leading Laboratory company focused on servicing the legalized cannabis industry in North America.

NextGen's Management's intention is to invest in a basket of companies within these growing industries. The company's business model continues to generate new business plans and project submittals 24/7

In light of Next Gen's vision, Management is evaluating multiple new business plans and industry related proposals on an ongoing basis. Management continues to receive and review numerous proposals including: alternative medicine, health, food, agri-business, legal grow-ops, science and technology, client generation, education, Brokerage and Consultancy Solutions, Public awareness, specialty clinics and ancillary business opportunities. The directors of Next Gen have given management the directive to identify core business opportunities and then to invest in a basket of companies within these emerging sectors.
