

WeedMD Signs Supplier Agreement With Shoppers Drug Mart

TSXV: WMD

June 20, 2018 (Source) – **WeedMD Inc.** (TSX-V:WMD) (OTC:WDDMF) (FSE:4WE) (“**WeedMD**” or the “**Company**”), a federally-licensed producer and distributor of medical cannabis, is pleased to announce it has entered into an agreement to

become a medical cannabis supplier to Shoppers Drug Mart.

Subject to Health Canada’s approval of Shoppers Drug Mart’s application to be a licensed producer, under the terms of the agreement the Company will supply Shoppers Drug Mart with WeedMD and affiliate branded medical cannabis products. It is expected the products will be sold online, as Canadian regulations currently restrict the sale of medical cannabis in retail pharmacies.

“WeedMD’s medical cannabis products have become a trusted source for the seniors’ market and we are excited to expand accessibility to all medical cannabis patients through this strategic agreement with Canada’s leading provider of pharmacy products and services,” said Michael Kraft, Chairman of WeedMD. “As one of the most trusted names in pharmacy retailing and patient support services, we are pleased to be partnering with Shoppers Drug Mart as it looks to WeedMD for the supply of premium medical cannabis. Our strains directed at seniors’ and womens’ health will add a range of depth to Shoppers Drug Mart’s anticipated medical cannabis product offerings.”

WeedMD’s expansion into its recently licensed large-scale,

fully-funded modern greenhouse will be the main supply source for its medical cannabis patients in addition to the future adult-use market. For more about the expansion, read [here](#).
