

Awakn Life Sciences Appoints UK Leader in Addictions Psychiatry, Dr. Arun Dhandayudham, as Chief Medical Officer

Dr. Dhandayudham Brings Significant Frontline Addiction and Mental Health Medical Leadership Experience to Awakn

May 17, 2022 (Source) – Awakn Life Sciences Corp. (NEO: AWKN) (OTCQB: AWKNF) (FSE: 954) ('Awakn'), a biotechnology company, researching, developing, and commercializing therapeutics to treat addiction with a near-term focus on Alcohol Use Disorder (AUD), announced today that Dr. Arun Dhandayudham is joining Awakn as its Chief Medical Officer. Dr. Ben Sessa is stepping back from his role as CMO to become Awakn's Head of Psychedelic Medicine, allowing him to continue his work in research, academic and training activities, as well as a greater focus on the day-to-day treatment of his clients as the Lead Psychiatrist for Awakn Clinics Bristol.

Dr. Dhandayudham brings a wealth of clinical and leadership experience to Awakn. Dr. Dhandayudham has been a Consultant in Addictions Psychiatry since 2005, having trained in Oxford and Cambridge. He currently works as Executive Medical Director of WDP, a large third sector organisation that provides drug and alcohol support and treatment services across the UK, having also previously held the position of joint CEO. He was previously Clinical Director of the NHS Addictions services across Bedfordshire and Northamptonshire as well as Clinical Lead within Crime Reduction Initiative (CRI). Dr. Dhandayudham has extensive experience in setting up community drug and alcohol services, prison services and dual diagnosis services.

He also has an interest in behavioral addictions, PTSD, and chronic arousal states such as pain and anxiety. Previous roles include being part of the Royal College of Psychiatry Addictions Faculty, serving as Chair of the Addictions Faculty Patients and Carers group amongst other positions.

Dr. Dhandayudham commented, "There has never been a greater need for more effective treatments for addiction, I have seen first-hand the sheer devastation it causes in my current and previous roles. To be joining Awakn, who are forging a new path and giving so many people fresh hope, is truly exciting and something I am delighted to be a part of."

Dr. Sessa added, "It's been a real honor and a privilege to be the CMO and co-founder of Awakn at such an instrumental time in the company's history. My passion has always been toward delivering the message of psychedelic medicine to professional colleagues and the general public, which I look forward to continuing. The emphasis on caring for our clients and working with them on a daily basis is where I want to focus my time and effort moving forward, which this move will allow me to do. I'm excited to be working with Dr. Dhandayudham as Awakn continues through an exciting stage of growth!"

Awakn CEO, Anthony Tennyson added "Firstly, I want to say a heartfelt thank you to Dr. Sessa for the great work he has completed for Awakn, not only as CMO, but also as a fellow co-founder of the company. I look forward to continuing to work with Ben as a co-founder and in his new role. I am also delighted we have Dr. Dhandayudham joining Awakn. Having someone with such a wealth of front line and leadership experience in the addiction treatment industry will help us grow and scale."

About Awakn Life Sciences Corp.

Awakn Life Sciences is a biotechnology company, researching, developing and commercializing combined therapeutics to treat

addiction, with a focus on Alcohol Use Disorder. Awakn's team consists of renowned research experts, world leading chemists, scientists, psychiatrists, and psychologists. Addiction is one of the biggest unmet medical needs of our time, affecting over 20% of the global population and is an industry valued at over \$100bn per annum. Awakn is working to disrupt this underperforming industry by advancing the next generation of drugs and therapies to be used in combination, through preclinical research and clinical stage trials.

Notice Regarding Forward-Looking Information

This news release contains certain forward-looking information and forward-looking statements, as defined in applicable securities laws (collectively referred to herein as "forward-looking statements"). Forward-looking statements reflect current expectations or beliefs regarding future events or the Company's future performance. All statements other than statements of historical fact are forward-looking statements. Often, but not always, forward-looking statements can be identified by the use of words such as "plans", "expects", "is expected", "budget", "scheduled", "estimates", "continues", "forecasts", "projects", "predicts", "intends", "anticipates", "targets" or "believes", or variations of, or the negatives of, such words and phrases or state that certain actions, events or results "may", "could", "would", "should", "might" or "will" be taken, occur or be achieved, including statements relating the business of the Company. All forward-looking statements, including those herein are qualified by this cautionary statement.

Although the Company believes that the expectations expressed in such statements are based on reasonable assumptions, such statements are not guarantees of future performance and actual results or developments may differ materially from those in the statements. There are certain factors that could cause

actual results to differ materially from those in the forward-looking information. These include, but are not limited to: COVID-19; fluctuations in general macroeconomic conditions; the business plans and strategies of the Company; the ability of the Company to comply with all applicable governmental regulations in a highly regulated business; the inherent risks in investing in target companies or projects which have limited or no operating history and are engaged in activities currently considered illegal in some jurisdictions; changes in laws; limited operating history; reliance on management; requirements for additional financing; competition; fluctuations in securities markets; inconsistent public opinion and perception regarding the medical-use of psychedelic drugs; expectations regarding the size of the addiction market; and regulatory or political change. Readers are cautioned that the foregoing list of factors is not exhaustive of the factors that may affect forward-looking statements. Accordingly, readers should not place undue reliance on forward-looking statements. The forward-looking statements in this news release speak only as of the date of this news release or as of the date or dates specified in such statements.

Investors are cautioned that any such statements are not guarantees of future performance and actual results or developments may differ materially from those projected in the forward-looking information. For more information on the Company, investors are encouraged to review the Company's public filings on SEDAR at www.sedar.com. The Company disclaims any intention or obligation to update or revise any forward-looking information, whether as a result of new information, future events or otherwise, other than as required by law.

This news release does not constitute an offer to sell, or a solicitation of an offer to buy, any securities in the United States. The Company's and Awakn's securities have not been and

will not be registered under the United States Securities Act of 1933, as amended (the “**U.S. Securities Act**”) or any state securities laws and may not be offered or sold within the United States or to U.S. Persons unless registered under the U.S. Securities Act and applicable state securities laws or an exemption from such registration is available.
