About StageZero Life Sciences, Ltd.

StageZero Life Sciences is dedicated to the early detection of multiple disease states through whole blood. The Company operates a CAP accredited and CLIA certified high complexity reference laboratory based in Richmond, Virginia. A specialist in PCR testing for the early identification of Cancer through blood, the Company is uniquely positioned to provide both COVID PCR testing (swab) and blood test analysis (Antibody testing). Our full service, telehealth platform includes access to physicians and phlebotomists who can prescribe and draw samples for individuals and groups. As we provide COVID-19 testing during this Pandemic, we continue making progress with our mission to eradicate late-stage cancers through early detection. Our next generation test, Aristotle®, is a multi-cancer panel for simultaneously screening for 10 cancers from a single sample of blood with high sensitivity and specificity for each cancer. www.stagezerolifesciences.com
