

XPhyto to Present at Virtual Life Sciences Forum on September 17

September 14, 2020 (Source) – **XPhyto Therapeutics Corp. (CSE:XPHY) (FSE:4XT) (OTCQB:XPHYF)** (“XPhyto” or the “Company”) is pleased to announce the company will be presenting at the Virtual Life Sciences Forum, hosted by the OTC Markets Group, on September 17 at 1:00 pm Eastern Time.

Recently listed on the OTCQB, XPhyto trades under the symbol “XPHYF”. XPhyto’s CEO, Hugh Rogers, will discuss the company’s developments in Germany on its rapid COVID-19 (SARS-CoV-2) screening test and next generation drug delivery programs. XPhyto and its exclusive diagnostic partner, 3a-Diagnostics GmbH (“3a”), are developing a rapid, disposable, point-of-care lateral flow screening test to detect COVID-19 viral RNA from patient saliva samples. XPhyto and its wholly owned German subsidiary, Vektor Pharma TF GmbH, are developing transdermal and oral dissolvable dosage forms for the delivery of conventional and cannabis-based narcotics for neurological applications.

The event is open to all. Investors can register and participate via the following link: <https://lifesciencesinvestorforum.gcs-web.com/events/event-details/agenda>.

The Company is not making any express or implied claims that its product has the ability to eliminate, cure or contain the COVID-19 pandemic.

About XPhyto Therapeutics Corp.

XPhyto is a diversified bioscience company with strategic assets and investments in the field of next generation drug

delivery and rapid pathogen screening systems, as well as medical cannabis opportunities focused on European markets. Through its 100% owned subsidiaries and exclusive collaboration agreements, XPhyto is pursuing clinical programs for the transdermal and dissolvable oral delivery of conventional and cannabis based narcotics for neurological applications, as well as rapid dissolvable oral biosensor and lateral flow assay-based screening tests for dental health applications and high-risk pandemic threats such as SARS-COV-2 (COVID19), H1N1 (swine flu) and H5N1 (avian flu). XPhyto has two exclusive cannabis collaborations with the Technical University of Munich, and two exclusive 5-year engagements with the University of Alberta, Faculty of Pharmacy and Pharmaceutical Sciences for cannabis extraction, isolation, formulation, and analytical testing.
