Warrants Expire on November 15, 2021

H₂O Innovation reminds to all the warrant holders that the outstanding common share purchase warrants issued on November 14, 2019 (the “Warrants”), at an exercise price of \$1.40, will expire on November 15, 2021. **Any Warrants that have not been exercised by 5:00 p.m. (Montreal time) on November 15, 2021 will automatically be cancelled.**

The Warrants, which are publicly listed on the TSX Venture Exchange under the symbol HE0.WT, will be delisted before the market opens on November 16, 2021.

Holder of Warrants who wish to exercise their Warrants should review the exercise requirements contained in the warrant indenture between TSX Trust Company, formerly known as AST Trust Company (Canada) (the "Warrant Agent") and the Corporation dated as of November 14, 2019, which is available on SEDAR (www.sedar.com), and, if applicable, the certificate evidencing their Warrants. Holders of Warrants should contact their legal and investment advisors before submitting to the Warrant Agent the exercise form and any other applicable documentation.

About H₂O Innovation

Innovation is in our name, and it is what drives the organization. H₂O Innovation is a complete water solutions company focused on providing best-in-class technologies and services to its customers. The Corporation's activities rely on three pillars: i) Water Technologies & Services (WTS) applies membrane technologies and engineering expertise to deliver equipment and services to municipal and industrial water, wastewater, and water reuse customers, ii) Specialty Products (SP) is a set of businesses that manufacture and supply a complete line of specialty chemicals, consumables and engineered products for the global water treatment industry, and iii) Operation & Maintenance (O&M) provides contract operations and associated services for water and wastewater treatment systems. Through innovation, we strive to simplify water. For more information, visit www.h2oinnovation.com.
