Mass Participation World facilitates year-round engagement and collaboration with a global community of mass participation professionals, and aspiring industry leaders. Mass participation sports, like marathons, cycling, Olympics, etc. play a massive role in the future health and wellbeing of the world.

“Getting together to discuss the future of mass participation events as they are impacted by global forces and technology change is key to adapt to ongoing disruption,” says Chris Robb, CEO of Mass Participation World. “What are the opportunities in Web3.0 and the metaverse two significant disruptions that the sports ecosystem is embracing?”

“Many, perhaps all, of our businesses, sports, and personal lives were massively impacted by the COVID-19 pandemic,” says Trevor Doerksen, CEO of ePlay Digital and co-creator of Klocked. “At the same time, technologies such as Web3.0 and metaverse started to transform sport, recreation, hobbies,

gaming, and more. What comes next? What are the opportunities? Join the discussion.”
