

# Sonoro Terminates Hilltop, Alaska Option Agreement

**TSXV: SMO**  
**OTCQB: SMOFF**

December 28, 2018 (Source) – Sonoro Metals Corp., (TSXV: SMO | OTCQB: SMOFF | FRA: 23SP), (“Sonoro”), announces the termination of its Property Option & Joint Venture Agreement with Northern Empire Resources Corp. regarding the

Hilltop Gold Project in Alaska. No expenditures were incurred by Sonoro on the Hilltop project during 2018 and the agreement was terminated on December 27, 2018.

“Our Board of Directors has determined that it is in the best interest of Sonoro’s shareholders to focus exploration efforts at Sonoro’s gold and silver projects in Sonora State, Mexico,” said Kenneth MacLeod, President and CEO of Sonoro. “The ongoing 10,000 meter drilling program at the Cerro Caliche gold project in the Cucurpe mining district will continue into the first quarter of 2019 while exploration activities at the nearby San Marcial gold/silver project are expected to advance towards the drilling phase during 2019. San Marcial is located 30 kilometers to the west of Cerro Caliche.”

## **About Sonoro Metals Corp.**

Sonoro Metals Corp. is an exploration and development company with two precious metals projects in Sonora, Mexico.
