

# Westward Gold Announces Non-Brokered Private Placement Financing

February 01, 2022 (Source) – Westward Gold Inc. (CSE:WG) (CNSX:WG.CN) (OTC:WGLIF) (FSE:IM50) (“Westward” or the “Company”) is pleased to announce that it intends to complete a non-brokered private placement (the “Offering”) of up to 10,000,000 units (each, a “Unit”) at a price of C\$0.12 per Unit, for aggregate gross proceeds to the Company of up to C\$1,200,000.

Each Unit will be comprised of one common share of the Company (each, a “Common Share”) and one common share purchase warrant (each, a “Warrant”). Each Warrant will entitle the holder thereof to purchase one Common Share of the Company at a price of C\$0.20 for a period of 36 months following the closing date of the Offering.

If the closing market price of the Common Shares on the Canadian Securities Exchange (the “CSE”) is greater than C\$0.40 per Common Share for a period of ten (10) consecutive trading days any time after the four-month anniversary of the closing of the Offering, the Company may deliver a notice (the “Acceleration Notice”) to the holder notifying them that the Warrants must be exercised within thirty (30) calendar days from the date of the Acceleration Notice, otherwise the Warrants will expire at 5:00 p.m. EST on the thirtieth (30th) calendar day after the date of the Acceleration Notice.

The net proceeds from the Offering will be used primarily to fund the Company’s inaugural drill campaign at its flagship Toiyabe Project, planned for the summer of 2022, and for general working capital purposes. For additional information related to the high-priority exploration targets to be tested

during the program, refer to Westward's press release dated December 16, 2021. Closing of the Offering is subject to receipt of all necessary regulatory approvals, including from the CSE. The Common Shares and Warrants issued in relation to the Offering will be subject to a hold period of four months and one day, in accordance with applicable securities laws. Certain finder's fees may also be payable to qualifying parties in accordance with the policies of the CSE.

The securities being offered have not, nor will they be registered under the United States Securities Act of 1933, as amended, and may not be offered or sold within the United States or to, or for the account or benefit of, U.S. persons in the absence of U.S. registration or an applicable exemption from the U.S. registration requirements. This press release shall not constitute an offer to sell or the solicitation of an offer to buy nor shall there be any sale of the securities in the United States or in any other jurisdiction in which such offer, solicitation or sale would be unlawful.

#### About Westward Gold

Westward Gold is a mineral exploration company focused on developing the Toiyabe, Turquoise Canyon, and East Saddle Projects located in the Cortez Hills area of Lander County, Nevada. From time to time, the Company may also evaluate the acquisition of other mineral exploration assets and opportunities.

Forward-looking statements or information are subject to a variety of known and unknown risks, uncertainties and other factors that could cause actual events or results to differ from those reflected in the forward-looking statements or information, including, without limitation, the need for additional capital by the Company through financings, and the risk that such funds may not be raised; the speculative nature of exploration and the stages of the Company's properties; the effect of changes in commodity prices; regulatory risks that development of the Company's material properties will not be acceptable for social, environmental or other reasons, availability of equipment (including drills) and personnel to carry out work programs, that each stage of work will be completed within expected time frames, that current geological models and interpretations prove correct, the results of ongoing work programs may lead to a change of exploration priorities, and the efforts and abilities of the senior management team. This list is not exhaustive of the factors that may affect any of the Company's forward-looking statements or information. These and other factors may cause the Company to change its exploration and work programs, not proceed with work programs, or change the timing or order of planned work programs. Although the Company has attempted to identify important factors that could cause actual results to differ materially, there may be other factors that cause results not to be as anticipated, estimated, described or intended. Accordingly, readers should not place undue reliance on forward-looking statements or information. Forward-looking information herein includes statements relating to the terms of the Offering and use of proceeds. The Company's forward-looking statements and information are based on the assumptions, beliefs, expectations and opinions of management

as of the date of this press release, and other than as required by applicable securities laws, the Company does not assume any obligation to update forward-looking statements and information if circumstances or management's assumptions, beliefs, expectations or opinions should change, or changes in any other events affecting such statements or information.
