Through the 8020 platform, Kontrol can open the lines of communication to ensure each shareholder and interested investor can stay up to date with corporate developments and be engaged through social media. The social interactive structure of the platform provides an opportunity to shareholders to become a part of the communication process and support the development of the corporation’s investor audience.

“In addition to expanding our platform, 8020 has been successfully increasing our investor community. This expanding investor community provides Kontrol, and other companies on our platform, with an opportunity to cost effectively grow their investor audience,” stated, Mr. D’Arcy Funfer, President of 8020 Connect.

“We are looking forward to working with the 8020 platform as an opportunity to further engage with stakeholders and investors,” stated Mr. Paul Ghezzi, CEO Kontrol Energy.

**About Kontrol Energy Corp.**

Kontrol Energy Corp. (CSE: KNR) (FSE: 1K8) is a leader in energy efficiency through IOT, Cloud and Blockchain technology. With a disciplined mergers and acquisition strategy, combined with organic growth, Kontrol Energy Corp. provides market-based energy solutions to our customers designed to reduce their overall cost of energy while providing a corresponding reduction in Greenhouse Gas (GHG) emissions.

Paul Ghezzi – CEO

### **About 8020 Connect**

8020 Connect is a social and interactive investment community which expands the way shareholders and interested investors access and gather information from public corporations. Built as a hybrid social media and shareholder and management engagement platform, corporations can direct the flow of information to prospective and existing investors through both static and dynamic content. This will allow public companies to build their investment brand and investor awareness while maintaining digital media compliance in a growing online investment community.

### **Caution Regarding Forward Looking Statements:**

This press release is for information purposes only and does not constitute an offer to sell or a solicitation to buy the securities referred to herein. The securities referred to herein may only be sold to prospective investors who meet certain eligibility criteria. Prospective investors should

consult with their own legal, regulatory, tax, business, investment, financial, accounting or other advisors as deemed necessary, and make their own decision based upon their own judgment and upon any advice from any such advisors. This press release may contain certain information or statements that are forward looking, and, by its nature, such forward-looking information is subject to important risks and uncertainties. The words "anticipate", "expect", "may", "should", "estimate", "project", "outlook", "forecast" or other similar words are used to identify such forward looking information. Those forward-looking, if any, are given as of the date noted on this presentation and reflect beliefs and assumptions based on information available at the time. Actual results or events may differ from those anticipated or predicted in these forward-looking statements, and the differences may be material. Factors which could cause actual results or events to differ materially from current expectations include, among other things: risks associated with the ownership and operation of businesses, including fluctuations in interest rates, rental rates; general economic conditions; local real estate markets; supply and demand for commodities; competition for available businesses; weather; the price of commodities; changes in legislation and the regulatory environment; and international trade and global political conditions. Although it is believed that the expectations conveyed by any forward-looking statements made (if any) are reasonable based on information available at the date such statements were made, no assurance can be given as to future results or events and so prospective investors are cautioned not to place undue reliance on any forward-looking statements made (if any). All forward-looking information, whether written or oral, are expressly qualified in their entirety by these cautionary statements. No obligation to update or revise any forward-looking information, whether as a result of new information, future events or otherwise is undertaken. Accordingly, undue reliance should not be placed on forward-looking statements and the forward-looking

statements contained in this press release are expressly qualified in their entirety by this cautionary statement. The forward-looking statements contained herein are made as at the date hereof and the Company does not undertake any obligation to update publicly or revise any such forward-looking statements or any forward-looking statements contained in any other documents whether as a result of new information, future events or otherwise, except as required under applicable securities law.
