

# Voyager Digital Closes US\$100 Million Private Placement of Common Shares

February 12, 2021 (Source) – *Proceeds to be used for General Corporate Purposes*

Voyager Digital Ltd. (“Voyager” or the “Company”) (CSE: VYGR) (FRA: UCD2), is pleased to announce that it has completed its previously announced private placement of common shares of the Company (the “**Shares**”) raising gross proceeds of approximately US\$100,000,000 at a price of US\$13.10 per Share (equivalent C\$17.00 per Share) (the “**Offering**”). The Offering was led by Stifel GMP, as sole agent and bookrunner (the “**Agent**”). For their services, the Agent received a 7% cash commission.

The Company intends to use the net proceeds from the Offering for general corporate purposes.

“We welcome our new investors to Voyager and are well capitalized to continue to grow our platform exponentially. This additional capital will allow Voyager to execute on the Company’s growth strategy including new user growth, international expansion and new product introductions. We’re building out our team, scaling our platform, and onboarding new users at record rates,” said Stephen Ehrlich, Co-founder and CEO of Voyager. “We are well on our way to achieving our goals by educating individual investors about creating wealth through cryptocurrencies by offering over 50 digital assets with 22 bearing interest, all on a commission-free and easy to use platform.”

Neither the Canadian Securities Exchange nor its Market Regulator (as that term is defined in the policies of the Canadian Securities Exchange) accepts responsibility for the adequacy or accuracy of this release. No securities regulatory authority has either approved or disapproved of the contents of this press release.

Certain information in this press release, including, but not limited to, statements regarding future growth and performance of the business, momentum in the businesses, future adoption of digital assets, and the Company’s anticipated results may constitute forward looking information (collectively, forward-looking statements), which can be identified by the use of

terms such as “may,” “will,” “should,” “expect,” “anticipate,” “project,” “estimate,” “intend,” “continue” or “believe” (or the negatives) or other similar variations. Because of various risks and uncertainties, including those referenced below, actual events or results may differ materially from those reflected or contemplated in such forward-looking statements. Forward looking statements are subject to the risk that the global economy, industry, or the Company’s businesses and investments do not perform as anticipated, that revenue or expenses estimates may not be met or may be materially less or more than those anticipated, that trading momentum does not continue or the demand for trading solutions declines, customer acquisition does not increase as planned, product and international expansion do not occur as planned and those other risks contained in the Company’s public filings, including in its Management Discussion and Analysis and its Annual Information Form (AIF). Factors that could cause actual results of the Company and its businesses to differ materially from those described in such forward-looking statements include, but are not limited to, a decline in the digital asset market or general economic conditions; the failure or delay in the adoption of digital assets and the blockchain ecosystem by institutions; a delay or failure in developing infrastructure for the trading businesses or achieving mandates and gaining traction; failure to grow assets under management, an adverse development with respect to an issuer or party to the transaction or failure to obtain a required regulatory approval. In connection with the forward-looking statements contained in this press release, the Company has made assumptions that no significant events occur outside of the Company’s normal course of business and that current trends in respect of digital assets continue. Forward-looking statements, past and present performance and trends are not guarantees of future performance, accordingly, you should not put undue reliance on forward-looking statements, past performance, or current trends. Information identifying assumptions, risks, and uncertainties relating to the Company

are contained in its filings with the Canadian securities regulators available at [www.sedar.com](http://www.sedar.com). The forward-looking statements in this press release are applicable only as of the date of this release or as of the date specified in the relevant forward-looking statement and the Company undertakes no obligation to update any forward-looking statement to reflect events or circumstances after that date or to reflect the occurrence of unanticipated events. Readers are cautioned that past performance is not indicative of future performance and current trends in the business and demand for digital assets may not continue and readers should not put undue reliance on past performance and current trends. All figures are in U.S. dollars unless otherwise noted.
