

# **Athabasca Nuclear Corporation Appoints Chief Financial Officer**

April 24, 2014 (Source: Marketwired) – Athabasca Nuclear Corporation (TSX VENTURE:ASC) (“Athabasca Nuclear” or the “Corporation”) is pleased to announce that it has appointed Ian Fleming to serve as the Corporation’s Chief Financial Officer effective May 1, 2014.

Mr. Fleming is an experienced Chief Financial Officer and concurrently serves as the CFO of Gold Royalties Corporation, a publicly-listed gold royalty company. He holds a Masters of Business Administration from the Richard Ivey School of Business at the University of Western Ontario and a Bachelor of Business Administration (Honors) from Brock University.

Mr. Fleming assumes the role from Glen Diduck to whom the Corporation expresses its gratitude and appreciation for efforts in assisting with the Corporation’s transition to a leading uranium exploration company in the southwest Athabasca Basin.

## **About Athabasca Nuclear Corporation**

Athabasca Nuclear Corporation (TSX VENTURE:ASC) is a junior uranium exploration company focused on the exploration and advancement of its significant uranium portfolio in Saskatchewan, Canada including the Preston Uranium Project, Patterson Lake East, Botham Lake, Parry Lake, Martin River, Karras River and Spring uranium projects. For more information on each of these projects, please visit [www.AthabascaNuclear.com](http://www.AthabascaNuclear.com).

Athabasca Nuclear is the Operator of the Western Athabasca Syndicate, a group exploration effort of a 287,130 hectare

(709,513 acre) package of uranium properties, known as the Preston Uranium Project, which is the largest land position along the highly prospective margin of the Western Athabasca Basin controlled by a single group.

Signed,

Ryan Kalt, Chief Executive Officer
