

Mill City Announces US\$40 Million Financing

February 18, 2014 (Source: Marketwired) – **MILL CITY GOLD CORP.** (“Mill City” and/or the “Company”) (TSX VENTURE:MC)(OTCBB:MCYGF)(FRANKFURT:NJ6) announced today that it is undertaking a private placement (the “Offering”) to raise up to US\$40 million through the sale of up to 80 million units (the “Units”) at a price of US\$0.50 per Unit. Each Unit will be comprised of one common share of the Company and one-half of one common share purchase warrant (each such whole warrant, a “Warrant”). Each Warrant will be exercisable to purchase one common share of the Company for a period of 1 year from closing at an exercise price of US\$2.50 per share.

Mill City has received written communication from Barclays Bank PLC, Singapore (“Barclays”), that it is prepared to act as agent in connection with the Offering on a best efforts basis and the Company anticipates entering into a written agreement with Barclays in the near future.

Proceeds of the Offering will be used to finance the purchase of up to a 75% working interest in the North East Tanjung Block (as previously announced by the Company on February 13, 2014) (the “Purchase”) and for general working capital purposes.

The Offering is subject to certain conditions including, but not limited to, the receipt of all necessary approvals. In addition, the Offering, together with the Purchase, may be considered a “reverse takeover” under the policies of the TSX Venture Exchange and subject to certain additional closing conditions.
