

Avalon Appoints New VP, Operations and Announces Annual and Special Meeting to Be Held on February 23, 2023

written by Raj Shah | January 24, 2023

January 24, 2023 ([Source](#)) – [Avalon Advanced Materials Inc.](#) (TSX: AVL) (OTCQB: AVLNF) (“Avalon” or the “Company”) is pleased to announce that it has appointed Mr. Rickardo Welyhorsky, P. Eng., as its Vice President, Operations and Chief Operating Officer.

Mr. Welyhorsky is a registered Professional Metallurgical Engineer with over 29 years of experience spanning all levels of project development and operations in the mining and metals industry. He brings to Avalon a wealth of industry experience within various roles including metallurgical test work, feasibility study work, engineering, construction, commissioning, start-up as well as operations and maintenance. While most of his recent experience has been in the gold sector, his vast experience will mesh well with the development needs to advance the Separation Rapids Lithium Project as well as the proposed lithium refinery. Mr. Welyhorsky has a background in Chemical Engineering Technology and Environmental Management from Cambrian College in Sudbury, Ontario as well as a Bachelor’s degree in Metallurgical Engineering from Laurentian University.

Donald Bubar, Avalon’s President and CEO, commented, “Mr. Welyhorsky’s extensive experience in bringing projects into production will be a valuable addition to our management team, as we continue to progress development of both our Separation

Rapids Lithium Project and our proposed lithium refinery in Thunder Bay.”

Annual and Special Meeting

Avalon is also pleased to announce that it will hold its Annual and Special Meeting of Shareholders (“the Meeting”) at 10:00 am EST on Thursday, February 23, 2023 in the Cassels Boardroom, at the offices of Cassels Brock & Blackwell LLP, Suite 2100, Scotia Plaza, 40 King Street West, Toronto, Ontario, M5H 3C2.

As only registered shareholders or their duly appointed proxyholders may attend the Meeting, Avalon will hold a separate Shareholder Update presentation at 11:00 am EST in the same location. Virtual access to this event will also be available via Zoom. To register for the Shareholder Update presentation, please click the following link: <http://bit.ly/3WtYR3Z>.

About Avalon Advanced Materials Inc.

Avalon Advanced Materials Inc. is a Canadian mineral development company specializing in sustainably-produced materials for clean technology. The Company now has four advanced stage projects, providing investors with exposure to lithium, tin and indium, as well as rare earth elements, tantalum, cesium and zirconium. Avalon is currently focusing on developing its Separation Rapids Lithium Project near Kenora, Ontario while continuing to advance other projects, including its 100%-owned Lilypad Cesium-Tantalum-Lithium Project located near Fort Hope, Ontario. Social responsibility and environmental stewardship are corporate cornerstones.

For questions and feedback, please e-mail Avalon President and CEO, Donald Bubar, at ir@AvalonAM.com.

This news release contains “forward-looking statements” within

the meaning of the United States Private Securities Litigation Reform Act of 1995 and applicable Canadian securities legislation. Forward-looking statements include, but are not limited to, statements related to Mr. Welyhorsky being a valuable addition to our management team. Generally, these forward-looking statements can be identified by the use of forward-looking terminology such as “potential”, “scheduled”, “anticipates”, “continues”, “expects” or “does not expect”, “is expected”, “scheduled”, “targeted”, “planned”, or “believes”, or variations of such words and phrases or state that certain actions, events or results “may”, “could”, “would”, “might” or “will be” or “will not be” taken, reached or result, “will occur” or “be achieved”. Forward-looking statements are subject to known and unknown risks, uncertainties and other factors that may cause the actual results, level of activity, performance or achievements of Avalon to be materially different from those expressed or implied by such forward-looking statements. Forward-looking statements are based on assumptions management believes to be reasonable at the time such statements are made. Although Avalon has attempted to identify important factors that could cause actual results to differ materially from those contained in forward-looking statements, there may be other factors that cause results not to be as anticipated, estimated or intended. Factors that may cause actual results to differ materially from expected results described in forward-looking statements include, but are not limited to market conditions, and the possibility of cost overruns or unanticipated costs and expenses as well as those risk factors set out in the Company’s current Annual Information Form, Management’s Discussion and Analysis and other disclosure documents available under the Company’s profile at www.SEDAR.com. There can be no assurance that such statements will prove to be accurate, as actual results and future events could differ materially from those anticipated in such statements. Such forward-looking statements

have been provided for the purpose of assisting investors in understanding the Company's plans and objectives and may not be appropriate for other purposes. Accordingly, readers should not place undue reliance on forward-looking statements. Avalon does not undertake to update any forward-looking statements that are contained herein, except in accordance with applicable securities laws.
