November 29, 2021 ([Source](#)) – [ePlay Digital Inc. \(CSE:EPY\)\(OTC PINK:EPYFF\)\(FSE:2NY2\)](#) (the “Company”) today announced that the recently released [Klocked Fitness App](#) has opened registration for the **Paris 10k Hybrid Real-Time Race Experience and Virtual Run** taking place on Dec. 5, 2021, at 9:00 AM eastern time / 6:00 AM pacific time.

All real-time and virtual participants will receive physical and digital race t-shirts, digital finisher's medals, augmented

reality race bib, and placement recognition for overall and division winners. Klocked app participants will be able to choose between teleporting to Paris for the real-time race experience on Dec. 5 or the virtual run anytime in December. Klocked users will personalize and send their 3D avatar to Paris on race day to compete live in ePlay's sports metaverse.

"ePlay is thrilled to continue to offer fun and motivation with the brand new and innovative Klocked app," says Trevor Doerksen, CEO of ePlay Digital. "Participants will send their avatar to Paris, get access to unique augmented reality unboxing, and be inspired for a new personal best."

Here is some of the feedback received from the Boston Common 5k event held over the Thanksgiving Day weekend.

"I liked the crowd cheering at the end! I definitely don't run as fast when I'm running solo," said an American participant. "When is the Boston Common 5k running again? I want a rematch."

"App was great, thank you," said a runner training for a Marathon in California next month.

"It was fun. Surprisingly so," says a European participant. "I ended up running twice in two days after not running for about two years."

Participants running on race day from anywhere in the world will receive:

- awesome augmented reality unboxing experience
- race t-shirt (digital and physical)
- augmented reality race bib and finisher's medal
- race audio coaching guide
- race landmark announcements
- race placement announcements

- race placement advancement pacing advice
- get added to division leaderboard
- earn points to unlock special features
- replays and highlights
- spectator code to send to family and friends to watch the race

*real-time race experience requires Klocked App. Run requirements include iPhone. Headphones are required for augmented reality audio experience.

ePlay has added a special section to the Klocked website to learn more about the [Klocked Phenomenal Race Day Experience](#). In addition, event registration for either (or both) the real-time race and virtual run is available from the following in the Klocked app and at Klocked.run/paris10k.
