

Fission 3.0 Corp. Announces Warrant Extension

written by Raj Shah | September 11, 2021

September 10, 2021 ([Source](#)) – Fission 3.0 Corp. (TSXV: FUU) (the “**Company**”) announces that the Company will be extending the exercise period of a total of 68,350,000 share purchase warrants, all of which are exercisable at \$0.15 per share (collectively, the “Warrants”). The Warrants were issued pursuant to a private placement which closed over three tranches in September 2018. The Company proposes to extend the expiry dates for all these Warrants by one (1) additional year, and accordingly, the new expiry dates for the Warrants are as follows:

- *Tranche 1:* For Warrants issued on September 28, 2018, the new expiration date of those Warrants will be September 28, 2022.
- *Tranche 2:* For Warrants issued on October 2, 2018, the new expiration date for those Warrants will be October 2, 2022.
- *Tranche 3:* For Warrants issued on October 12, 2018, the new expiration date for those Warrants will be October 12, 2022.

All other terms and conditions of the Warrants remain unchanged. The Warrant extension is subject to acceptance by the TSX Venture Exchange.

A portion of the Warrants are held by parties who are considered to be “related parties” of the Company. Therefore, the amendment of Warrants constitutes a “related party transaction” as contemplated by Multilateral Instrument 61-101 *Protection of Minority Shareholders in Special Transactions*, and TSXV Policy

5.9 – Protection of Minority Shareholders in Special Transactions. However, the exemptions from formal valuation and minority approval requirements provided for by these guidelines can be relied upon as the fair market value of the Warrants does not exceeds 25% of the market capitalization of the Company. A material change report in respect of this related party transaction will be filed by the Company.

The Company currently has 83,772,934 warrants outstanding exercisable from \$0.06 to \$0.25.
