Ideanomics, Inc. Reports Q1 2021 Financial Results

written by Raj Shah | May 18, 2021 May 17, 2021 (<u>Source</u>) —

- Revenue for the quarter ended March 31, 2021, was \$32.7 million and gross profit of \$10.8 million
- First revenues from WAVE Ideanomics' inductive charging business and from Timios, our Title and escrow services company – both businesses were acquired in January 2021
- \$356 million cash at quarter end providing a deep pool of capital for investment in our Ideanomics Mobility & Capital business units

Ideanomics (NASDAQ: IDEX) ("Ideanomics" or the "Company"), a global company focused on driving the adoption of commercial electric vehicles and associated energy consumption, announced today its first quarter 2021 operating results for the period ended March 31, 2021 (a full copy of the Company's quarterly 10-Q report is available at www.sec.gov).

Conference Call: Ideanomics' management, including Alf Poor (Chief Executive Officer), Conor McCarthy (Chief Financial Officer), Kristen Helsel (Chief Revenue Officer) and Tony Sklar (SVP of Investor Relations) will host live an earnings release conference call at 4:30 pm ET, Monday, May 17, 2021. Time permitting, Ideanomics management will answer questions during the live Q&A session. A replay of the earnings call will be available soon after the conclusion of the event.

"Ideanomics is transforming dramatically quarter over quarter," said Alf Poor, CEO of Ideanomics. "I am both pleased and proud to say that as is stands today the company is the healthiest it has been in close to three years that I have been on board."

Ideanomics First Quarter 2021 Operating Results

Revenue for the quarter was \$32.7 million which represents the fifth consecutive quarter of growth demonstrating the increasing strength of Ideanomics' business. Timios, our title & escrow business generated revenues of \$27.6 million and WAVE revenues of \$1.8 million, reported in the charging & batteries line in the revenue table. Both of these businesses were acquired in the first quarter and consequently their financial results are only included from the date of acquisition. Revenue from Electric Vehicles was \$3.0 million up from just \$55,000 in the first quarter of 2020.

Gross Profit

Gross profit for first quarter 2021 was \$10.8 million which represented a Gross Margin of 33.1%. Gross profit for first quarter 2020 was \$44,000.

Selected Business Updates and Highlights

- Acquired Wireless Charging Provider WAVE
- Acquired title & escrow services company Timios
- Announced Sponsorship in NACFE and membership in CALSTART

 Bolstered Cash position to \$356 million as of March 31, 2021

About Ideanomics

Ideanomics is a catalyst for disruption to those industries where improvements in sustainability, transparency, and freedom of choice would have profound benefits on a global scale. The Ideanomics Mobility division is a service provider which facilitates the adoption of electric vehicles by commercial fleet operators through offering vehicle procurement, finance and leasing, and energy management solutions under our innovative sales to financing to charging (S2F2C) business model. Ideanomics Capital is focused on disruptive fintech solutions for the financial services industry. Together, Ideanomics Mobility & Capital provide our global customers and partners with leading technologies and services designed to improve transparency, efficiency, and accountability, and our shareholders with the opportunity to participate in highpotential, growth industries.

The company is headquartered in New York, NY, with operations in the U.S., China, Ukraine, and Malaysia.

Safe Harbor Statement

This press release contains certain statements that may include "forward looking statements." All statements other than statements of historical fact included herein are "forwardlooking statements." These forward-looking statements are often identified by the use of forward-looking terminology such as "believes," "expects" or similar expressions, involve known and unknown risks and uncertainties, and include statements regarding our intention to transition our business model to become a next-generation financial technology company, our business strategy and planned product offerings, our intention to phase out our oil trading and consumer electronics businesses, and potential future financial results. Although the Company believes that the expectations reflected in such forward-looking statements are reasonable, they do involve assumptions, risks and uncertainties, and these expectations may prove to be incorrect. You should not place undue reliance on these forward-looking statements, which speak only as of the date of this press release. The Company's actual results could differ materially from those anticipated in these forwardlooking statements as a result of a variety of risks and uncertainties, such as risks related to: our ability to continue as a going concern; our ability to raise additional financing to meet our business requirements; the transformation of our business model; fluctuations in our operating results; strain to our personnel management, financial systems and other resources as we grow our business; our ability to attract and retain key employees and senior management; competitive pressure; our international operations; and other risks and uncertainties disclosed under the sections entitled "Risk Factors" and "Management's Discussion and Analysis of Financial Condition and Results of Operations" in our most recent Form 10-K and Form 10-Q filed with the Securities and Exchange Commission, and similar disclosures in subsequent reports filed with the SEC, which are available on the SEC website at <u>www.sec.gov</u>. All forward-looking statements attributable to the Company or persons acting on its behalf are expressly qualified in their entirety by these risk factors. Other than as required under the securities laws, the Company does not assume a duty to update these forward-looking statements.
