Klocked Announces Advanced Sports Science Features To Support Athletes

written by Raj Shah | December 29, 2021

Klocked Platform revolutionizes athletic performance with real-time feedback.

December 29, 2021 (Source) – ePlay Digital Inc. (CSE:EPY)(OTC:EPYFF)(FSE:2NY2) (the "Company") today announced the Klocked Sports Science Platform that revolutionizes athletic performance with real-time feedback. The Platform includes real-time audio and video cues to improve training and race-day performance. All app users receive access to the real-time sports data and performance cues for free. Real-time evaluation is powered by Klocked P4 AI and Weav Music's performance enhancing adaptive music & AR coaching technology.

All features are now available in the free Klocked App.

“Klocked is Peloton if Peloton could go outdoors,” says Trevor Doerksen, CEO of ePlay Digital. “Klocked wants to help users go get their greatest with special technology to motivate and have fun.”

Weav Music‘s patent-pending AR coaching features include:

- Pace audio cues to help stick to training goals
- Personal-best audio cues to help reach new goals
- Audio guides to course landmarks
- Audio coach with tips and inspiration to achieve new goals
- Cadence detection and adaptive music to enhance performance

Additional Advanced Sports Science Features include:

- Placement visual and audio cues to advance race position by gender and age division
- Gamification to advance to the next level
- Leaderboards by age and gender divisions
- Special challenges and races
- Bonus points and special effects for passing and participating in challenges
- Earn real and augmented reality t-shirts, race bibs, and medals

Klocked Sports Science Platform now available in the free Klocked App.
