

# Molten Metals Corp. Announces Passing of Director David Robinson

written by Raj Shah | October 25, 2022

October 24, 2022 ([Source](#)) – MOLTEN METALS CORP. (the “Company”) (CSE:MOLT), is deeply saddened to announce the recent passing of Non Executive Director, David Robinson. Molten’s Board of Directors and Officers extend their deepest condolences and sympathies to David’s family at this time and would like to place on record their sincere gratitude for the exceptional role he has played in the development of the Company.

Christopher Ecclestone, Executive Director and Chief Executive Officer, commented:

“Everyone at Molten Metals Corp. is deeply saddened by this news and our thoughts and sympathies are with David’s family and friends. David’s passion, enthusiasm and technical excellence were integral to the young Company’s start up. He was a man of integrity, honesty and steadfastness. His leadership and expertise as a director will be sorely missed. David’s friendship, humor and wonderful attitude to life will always be remembered by us.

## About the Company

Molten Metals is developing Antimony & Antimony-Gold mine projects. Antimony is a critical element with many industrial applications, including ammunition and fire retardants. The upcoming potential new usage is in the mass- storage devices – molten-salt batteries. ### **Forward-Looking Information**

Neither the Canadian Securities Exchange nor its Regulation Services Provider (as that term is defined in the policies of the Canadian Securities Exchange) accepts responsibility for the adequacy or accuracy of this release.

This release includes certain statements that may be deemed “forward-looking statements”. Forward-looking statements are statements that are not historical facts and are generally, but not always, identified by the words “expects”, “plans”, “anticipates”, “believes”, “intends”, “estimates”, “projects”, “potential” and similar expressions, or that events or conditions “would”, “may”, “could” or “should” occur. Forward-looking statements in this press release include Molten Metals’s plans to continue aggressive exploration at Unga in 2021 and its goal of defining a resource in excess of one million ounces, its plan to continue infill drilling to expand to depth where the system remains open, and its belief that the SH-1 prospect has considerable potential for expansion. Although Molten Metals believes that the expectations expressed in such forward-looking

statements are based on reasonable assumptions, such statements are not a guarantee of future performance and actual results may differ materially from those in the forward-looking statements. Factors that could cause the actual results to differ materially from those in forward-looking statements include market prices, exploitation and exploration successes, weather, continued availability of capital and financing, and general economic, market or business conditions. Investors are cautioned that any such statements are not guarantees of future performance and actual results or developments may differ materially from those projected in the forward-looking statements. Forward-looking statements are based on the beliefs, estimates and opinions of the Company's management on the date the statements are made. Except as required by applicable securities laws, the Company undertakes no obligation to update these forward-looking statements in the event that management's beliefs, estimates or opinions, or other factors, should change.
