

Moovly Announces New Asian Partner, Singapore-Based Travel Specialist ARichGlobe

written by Igor Makarov | June 3, 2021

June 3, 2021 ([Source](#)) – Moovly Media Inc. (TSXV: MVY) (OTC Pink: MVVYF) (FSE: 0PV2) (“Moovly” or the “Company”) is pleased to announce that it has signed a reseller and partnership agreement with Singapore-based ARichGlobe.

ARichGlobe is an innovative and game-changing e-commerce and travel booking platform serving the travel retail sector in Asia. With the travel and tourism sector recovering rapidly in Asia, the platform offers a seamless solution for travelers to explore destinations and shop with more convenience.

Fred Seow, CEO of ARichGlobe, commented, “Video is on track to be the future of business communication in Asia and a key marketing tool for mainstream social media channels. Asia is a dynamic and progressive region with significant intra and inter regional trading activities. We are very excited to be appointed by Moovly as authorised reseller in Asia and to introduce its world class video editing platform to the expanding hospitality and travel industries. ”

Moovly CEO Brendon Grunewald said, “Moovly is growing quickly in Asia and we are proud to be working with a company with decades of experience – video is now a critical piece of any travel and tourism marketing initiative. Moovly provides that tool, in a powerful and accessible way.”

Asia has some of the world’s highest per capita travel expenditure, especially in China as well as cities such as

Bangkok, Hong Kong and Singapore. Many of the sector's high-growth social media and networking platforms rely heavily on video, providing numerous untapped business opportunities for ARichGlobe and Moovly.

Reader Advisory

This press release contains forward-looking statements and forward-looking information within the meaning of applicable securities laws. The use of any of the words “expect”, “anticipate”, “continue”, “estimate”, “objective”, “ongoing”, “may”, “will”, “project”, “should”, “believe”, “plans”, “intends” and similar expressions are intended to identify forward-looking information or statements. More particularly and without limitation, this news release contains forward looking statements and information with respect to Moovly’s future business plans and the expected benefits of its products. The forward-looking statements and information are based on certain key expectations and assumptions made by the Company. Although the Company believes that the expectations and assumptions on which such forward-looking statements and information are based are reasonable, undue reliance should not be placed on the forward looking statements and information because the Company can give no assurance that they will prove to be correct.

By its nature, such forward-looking information is subject to various risks and uncertainties, which could cause the actual results and expectations to differ materially from the anticipated results or expectations expressed. These risks and uncertainties, include, but are not limited to, Moovly’s inability to continue to commercialize its products or demand for its products decreases or disappears. Other risk factors are set forth in detail in the Company’s Management Discussion and Analysis dated March 31, 2021 which is available for review under the Company’s corporate profile at www.sedar.com. Some other risks and factors that could cause the results to differ materially from those expressed in the forward-looking information also include, but are not limited to: general

economic conditions in Canada, the United States and globally; industry conditions, unanticipated operating events; failure to obtain any necessary third party consents and approvals, if and when required; the availability of capital on acceptable terms; the need to obtain required approvals from regulatory authorities; stock market volatility; competition for, among other things, capital and skilled personnel; changes in tax laws; and the other factors. Readers are cautioned that this list of risk factors should not be construed as exhaustive.

The forward-looking information contained in this news release is expressly qualified by this cautionary statement. Readers are cautioned not to place undue reliance on this forward-looking information, which is given as of the date hereof, and to not use such forward-looking information for anything other than its intended purpose. The Company undertakes no obligation to update publicly or revise any forward-looking information, whether as a result of new information, future events or otherwise, except as required by applicable law.

Neither the TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in the policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this release.
