

Murchison Minerals Announces the Appointment of Cory Belyk as a New Strategic Advisor to the Board

written by Igor Makarov | July 2, 2021

July 2, 2021 ([Source](#)) – Murchison Minerals Ltd. (“Murchison” or the “Company”) (TSXV:MUR) is pleased to welcome Mr. Cory Belyk as a new strategic advisor to its Board of Directors.

Mr. Belyk has earned his reputation as a seasoned uranium geologist with nearly 30 years of experience involving grassroots, brownfield and advanced exploration, mining operations, project evaluation, business development, and domestic and international executive roles. His track record includes a significant uranium discovery in the Athabasca Basin area. Mr. Belyk has served on the Board of Directors of Cameco Mongolia LLC and Cameco Australia Pty Ltd when employed as Director, Exploration International and Agreements with Cameco Corporation. More recently, Mr. Belyk’s focus has been on multiple stages of project evaluation and junior-exploration marketing and financing. He currently holds the position of Executive VP and CEO for CanAlaska Uranium Ltd (TSXV:CVV), a uranium, nickel, copper and diamond explorer.

President and CEO of Murchison JC Potvin commented: “We are excited to have Cory join our team and we strongly believe his understanding of the region and his well-connected business network will contribute to the success of Murchison, reinforcing our commitment to making the Company part of the Canadian green energy revolution.”

Murchison also announces that it has granted Mr. Cory Belyk 200,000 options to purchase common shares of the Company exercisable at a price of \$0.095 per share for a period of five years that vest immediately, in accordance with the terms of the Company's stock option plan.

About Murchison Minerals Ltd. (TSXV:MUR)

Murchison is a Canadian-based exploration company focused on the exploration and development of the 100% owned Brabant Lake zinc-copper-silver project in north-central Saskatchewan. The Company also owns 100% of the HPM nickel-copper-cobalt project in Quebec and holds an option to earn 100% interest in the Barraute VMS exploration project also located in Quebec, north of Val d'Or. Murchison currently has 108.9 million shares issued and outstanding.
