Viridium Retains Renmark Financial Communications Inc. for IR and Integral Wealth Securities Limited for Market Marking

written by Raj Shah | August 1, 2018

August 1, 2018 (Source) – Viridium Pacific Group Ltd. ("Viridium" or the "Company") (TSXV: VIR) (OTCPink: MRRBF) is pleased to announce that it has retained the services of Renmark Financial Communications Inc. ("Renmark") to handle its investor relations activities.

"We are pleased to have selected Renmark to reinforce Viridium's profile in the financial community and enhance the visibility of our company. We partnered with Renmark because their standards and methodologies fit best with the message we wish to communicate to the investing public," noted Jarrett Malnarick, Chief Executive Officer.

For the services to be provided, the monthly fees incurred by Viridium will be a cash consideration of $7,000, starting August 1, 2018 for a period of six months ending on January 31, 2019 and monthly thereafter. Renmark does not have any interest, directly or indirectly, in Viridium or its securities, or any right or intent to acquire such an interest.

Viridium is also pleased to announce that it has retained Integral Wealth Securities Limited ("Integral") to provide Market-Making services in accordance with TSX Venture Exchange ("TSXV") policies. Integral will trade securities of Viridium on

the TSXV for the purposes of maintaining an orderly market of Viridium's securities.

In consideration of the services provided by Integral, Viridium will pay Integral a monthly cash fee of $7,000 for a minimum of 12 months with a one-time right to terminate after 6 months, and monthly thereafter. Integral will not receive shares or options as compensation. However, Integral and its clients may have or may acquire a direct interest in the securities of Viridium. Viridium and Integral are unrelated and unaffiliated entities; Integral is a member of the Investment Industry Regulatory Organization of Canada ("IIROC") and can access all Canadian Stock Exchange and Alternative Trading Systems.
