

Voyager Digital Adopts Normal Course Issuer Bid to Repurchase Up to 5% of Common Shares

written by Raj Shah | April 21, 2021

April 21, 2021 ([Source](#)) – Voyager Digital Ltd. (“Voyager” or the “Company”) (CSE: VYGR) (OTCQB: VYGVF) (FRA: UCD2), a publicly-traded holding company whose subsidiaries operate a licensed crypto-asset trading and investment brokerage platform, today announced that it has adopted a normal course issuer bid (NCIB) under which the Company can repurchase up to 5% of its Common Shares.

“The NCIB repurchase of Voyager’s Common Shares will give the Company some additional flexibility in managing its market price to more accurately reflect the company’s current value and growth projections, and in turn, strengthen shareholder value,” said Stephen Ehrlich, CEO and Co-Founder of Voyager.

The NCIB will commence on May 30, 2021 and terminate on May 30, 2022. All shares purchased under the NCIB will be at the market price for the Common Shares at the time of purchase and will be facilitated through the Canadian Securities Exchange (CSE). Common Shares repurchased by Voyager under the NCIB will be purchased for cancellation. The Company intends to appoint Eight Capital as its broker to conduct the NCIB on its behalf.
