Mr. Fenton will also be available for one-on-one meetings throughout the conference.

To register for the presentation or to schedule a one-on-one meeting: https://www.sidoti.com/events

About ZEN Graphene Solutions Ltd.

ZEN is a nanotechnology company developing and commercializing next-gen healthcare solutions in the areas of prevention, detection and treatment. ZEN is currently focused on commercializing **ZEN**Guard™, a patent-pending coating with 99% antimicrobial activity, including against COVID-19, and the potential to use similar compounds as pharmaceutical products against infectious diseases. The company also has an exclusive agreement to be the global commercializing partner for a newly

developed, highly scalable, aptamer-based rapid pathogen detection technology.
