### ***NON-GAAP MEASURES:***

*Gross margin/Net Service margin is service revenue less cost of services;*

*Earnings before interest, taxes, depreciation and amortization ("EBITDA"), is calculated as the net loss, before acquisition*

and transaction costs, non-cash expenses (including loss from disposal of assets, impairments, amortization and depreciation and stock-based compensation), interest expense, net of interest income and income tax expense.

Annualized revenue, annualized gross margin and annualized EBITDA are calculated as actual revenue, gross margin or EBITDA extrapolated from the beginning of the year or date of acquisition over 365 days.

Organic EBITDA growth is calculated as the increase in EBITDA period over period for entities owned for the entire reporting periods being compared.
