The Rare Earths Market in Review – June 2020

written by InvestorNews | July 14, 2020

“I think Energy Fuels is serious about going into the rare earths business. What I was told is that they are going to begin by selecting a rare earths mineral produced in the United States…” States critical materials expert Jack Lifton, in an interview with the Technology Metals Show hostess Tracy Weslosky.

In the interview Tracy and Jack discussed some of the major news in the rare earths space for the month of June. Jack also commented on Lynas and shared his view on Alkane’s plan to demerge their poly-metallic and rare earths holding company Australian Strategic Materials Limited (ASM).
