

Argentina Lithium and Energy to present at InvestorIntel's 6th Annual Cleantech & Technology Metals Summit

Nicholas Konkin to present "Energy from Experience"

May 11, 2017 – Argentina Lithium and Energy Corp. (TSXV: LIT | OTCQB: PNXLF), energy from experience, is pleased to announce that they will be presenting at **InvestorIntel's 6th Annual Cleantech & Technology Metals Summit** (CTMS2017.com | @CTMS2017). Featuring some of the most impressive market movers in the cleantech and technology metals sector, #CTMS2017 is scheduled for Monday, May 15th and Tuesday, May 16th at the Omni King Edward Hotel in Toronto, Canada located at 37 King St. East.

Nicholas Konkin, Investor Communications Agent for Argentina Lithium and Energy Corp. will be presenting on Tuesday, May 16th from 11:45 AM – 12:00 PM (EST). Presenting **Energy from Experience**. Argentina Lithium and Energy has a best-in-class management and technical team with proven success in prospect development in Argentina. We aim to explore for lithium brines within our over 20,000 hectare Arizaro project on the Salar de Arizaro in the Salta Province of Argentina.

InvestorIntel Corp. CEO Tracy Weslosky commented: "It is with great pleasure that we announce the participation of Argentina Lithium and Energy Corp. as a presenter at our 6th annual Cleantech and Technology Metals Summit. We have over 100 companies participating in what is intended to be the most exciting review of global equities focused on strategic materials, critical metals and the associated technologies that impact the world. We look forward to our best #CTMS event

to-date.”
