Peter Clausi on CBLT declaring a dividend and on its Shatford Lake, Manitoba, exploration for lithium

written by InvestorNews | November 11, 2021

In a recent InvestorIntel interview, Tracy Weslosky spoke with Peter Clausi, President, CEO and Director of CBLT Inc. (TSXV: CBLT) about CBLT's recent news release on declaring a dividend for its shareholders, and about CBLT's Shatford Lake project which has been identified as highly prospective for lithium.

In this InvestorIntel interview, which may also be viewed on YouTube (click here to subscribe to the InvestorIntel Channel), Peter Clausi said that CBLT's Shatford Lake project, owing to its proximity to the world-famous Tanco Mine, in Manitoba, is also prospective for tantalum, beryllium, cesium and rubidium. Providing an update on the Shatford Lake exploration program, Peter said that the first batch of pegmatite samples has been sent to an accredited lab for analysis the results from which are imminent.

This interview, which was produced by InvestorIntel Corp. (IIC) does not contain, nor does it purport to contain, a summary of all the material information concerning the "Company" being interviewed. IIC offers no representations or warranties that any of the information contained in this interview is accurate or complete.

This presentation may contain"forward-looking statements" within the meaning of applicable Canadian securities legislation. Forward-looking statements are based on the opinions and assumptions of management of the Company as of the date made. They are inherently susceptible to uncertainty and other factors that could cause actual events/results to differ materially from these forward-looking statements. Additional risks and uncertainties, including those that the Company does not know about now or that it currently deems immaterial, may also adversely affect the Company's business or any investment therein.

Any projections given are principally intended for use as objectives and are not intended, and should not be taken, as assurances that the projected results will be obtained by the Company. The assumptions used may not prove to be accurate and a potential decline in the Company's financial condition or results of operations may negatively impact the value of its securities. Prospective investors are urged to review the Company's profile on Sedar.com and to carry out independent investigations in order to determine their interest in investing in the Company.
