About NEXE Innovations Inc.

NEXE Innovations Inc. is a leader in plant-based compostable technology and advanced materials manufacturing based in British Columbia, Canada. The company has developed one of the only patented, fully compostable, plant-based, single-serve coffee pods for use in leading single-serve coffee machines. The proprietary NEXE pod is designed to reduce the significant environmental impact caused by single-serve pods, >40 billion of which are discarded every year. With over \$35M raised to date from equity and government funding and over five years of R&D, NEXE is well-positioned to meet the growing demand for environmentally friendly and sustainable products in the single-serve coffee sector and beyond.
