

Critical Metals Russell Fryer on Copper and Cobalt Plans for Production in 2024

written by InvestorNews | March 7, 2024

In a revealing interview at PDAC 2024, InvestorNews host Tracy Weslosky engaged with Russell Fryer, CEO and Executive Director of Critical Metals PLC (LSE: CRTM), shedding light on the company's strategic operations in the Democratic Republic of Congo (DRC) and its forward-looking goals. Fryer discussed the evolving political climate in the DRC, highlighting the peaceful presidential election in December 2023 as evidence of the country's commitment to democracy and the rule of law, which is crucial for investors considering Congo-based companies. He underscored the significance of the DRC in the global supply of cobalt, essential for green energy, and the high-grade copper reserves, vital as other regions face diminishing supplies.
