In a recent analysis by Fineqia International Inc. (CSE: FNQ), a prominent digital asset and fintech investment firm, there has been a notable surge in the global market of Exchange Traded Products (ETPs) that are based on digital assets. The year-to-date (YTD) data reveals an impressive 91% increase in the total Assets Under Management (AUM) of these products. This growth rate is particularly significant as it surpasses the expansion rate of the underlying digital assets by 30%.
