Alt 5 Sigma's Taras Kulyk on making trading with cryptocurrencies safe and secure

"We are a digital asset (cryptocurrency) management platform. We are a way for existing players to have a safe way for their clients to gain exposure. Everything is tracked. There are no AML or KYC issues with our clients. We know who they are, we know their use of proceeds. We are essentially trying to be aboveboard on compliance and transparency...We are revenue positive and are looking to ramp up with the raise we are doing." States Taras Kulyk, President and Chief Operating Officer of Alt 5 Sigma, Inc., in an interview with InvestorIntel's Tracy Weslosky.

Taras went on to discuss that Alt 5 Sigma has partnered with top tier professional players in cryptocurrency management space to provide its clients a safe and secure environment to trade cryptocurrencies. Taras further added that Alt 5 Sigma is fully insured and is fully compliant in Canada. The company is working on the U.S. compliance ecosystem.
