As September draws to a close, the U.S. equities market has experienced some turbulence. Following a challenging Tuesday, U.S. futures seem to be ticking upwards despite all three major indices, including the Dow, witnessing significant drops. The Dow notably had its worst performance since March. The market's unsteady temperament could be attributed to several factors. August saw a steep decline in new home sales, Amazon found itself in the midst of a significant antitrust lawsuit, and the Conference Board's consumer confidence index dipped more than anticipated.
