About Triumph Gold Corp.

Triumph Gold Corp. is a Canadian based, growth-oriented exploration and development company with a district scale land package in mining friendly Yukon. The Company's 100% owned, road accessible, flagship Freegold Mountain Project is located in the Dawson Range and is host to three NI 43-101 Mineral Deposits. The Project covers an extensive section of the Big Creek Fault zone, a structure directly related to epithermal gold and silver mineralization as well as gold-rich porphyry copper mineralization. The Company, led by an experienced management and technical team, is focused on actively advancing the Freegold Mountain Project using multidiscipline exploration and evaluation techniques. The Company also owns 100% of the Big Creek and Tad/Toro copper-gold Properties, situated within the Dawson Range.
