

# The Debate for the Most Critical Rare Earths Project in the World Begins

written by InvestorNews | July 10, 2023

American Rare Earths Limited is a leading developer of rare earth elements with a strong focus on developing sustainable and cost-effective extraction and processing methods. ARR's 100% owned three rare earths projects are all located in the USA. ARR has recently decided to re-domicile to the USA in line with their projects' location.
