

Mike Druhan of MedX Health on the Launch of Its Teledermatology Screening Platform in the UK

In a recent InvestorIntel interview, Tracy Weslosky spoke with Mike Druhan, President of Dermatology Services at MedX Health Corp. (TSXV: MDX) about MedX Health's recent commercialization pilot project with the UK's largest non-hospital private healthcare services provider to launch its Teledermatology Screening Platform in the UK.

In this InvestorIntel interview, which may also be viewed on YouTube (click here to subscribe to the InvestorIntel Channel), Mike Druhan explained how the partnership with Health Partners (OH) Limited will provide MedX access to two million-plus patients across the UK and also will open the door for MedX Health to expand into other markets. With more than 3,000 cases of skin cancer annually in the construction industry in the UK alone, Mike went on to highlight how early detection of skin cancers can have a dramatic effect in saving people's lives and play a critical role in the fight against skin cancer.
